CORPORATE PLAN 2010/2011

“Working together for a sustainable healthcare system”

INTRODUCTION

The Bermuda Health Council was established by the Bermuda Health Council Act 2004 to regulate, coordinate and enhance the delivery of health services. Our vision is to work together for a sustainable healthcare system.

The Bermuda Health Council Strategic Plan 2009 – 2012 details our strategic priorities for the coming three years. These focus on four areas: Quality, Equity, Efficacy and Accountability. We believe that when these qualities are met by our healthcare system, we will have achieved a high-performing and sustainable healthcare system for all.

This Corporate Plan is the annual companion to the three-year Strategic Plan. The aim of the Corporate Plan is to outline the objectives on which we will focus during the fiscal year 2010/11, in order to move closer to the longer-term strategic goals.

The purpose of publishing this report is to act on our goal for enhanced accountability and communication with our stakeholders and healthcare partners.

Strategic Goal 1: QUALITY

To enhance the regulation of health services, insurers, professionals and prescription drugs, in order to assure quality and patient safety

Strategic Objective 1.1) Collaborate with the Ministry of Health to enhance the regulatory framework for healthcare professionals, businesses and insurers

2010/11 Objectives

1. Collaborate with MOH to finalize regulations for healthcare professionals
2. Collaborate with MOH to develop regulatory guidelines for selected healthcare businesses
3. Collaborate with MOH to enhance regulatory framework for health insurers

Strategic Objective 1.2) Develop and implement an impartial and effective system to oversee and monitor compliance with established regulations for healthcare professionals and businesses

2010/11 Objective

4. Develop proposals to monitor health insurers' compliance with proposed regulatory framework

Strategic Objective 1.3) Develop mechanisms to monitor and report on the quality of healthcare provision

2010/11 Objectives

5. Conduct project to measure key performance indicators
6. Manage and monitor complaints to BHeC

Strategic Objective 1.4) Establish mechanisms to monitor utilization and expenditure on prescription drugs

2010/11 Objective

7. Establish basic infrastructure to enable monitoring of utilization & expenditure on prescription drugs

Strategic Goal 2: EQUITY

To enhance coordination of health services to assure equitable access to essential healthcare for all residents

Strategic Objective 2.1) Enhance the process to determine essential healthcare services

2010/11 Objective

- 8.** Conduct comprehensive review of Standard Hospital Benefits

Strategic Objective 2.2) Enhance processes to assure equitable access to essential healthcare services

2010/11 Objectives

- 9.** License health insurers and approved schemes annually
- 10.** Implement system to monitor employers' compliance with Health Insurance Act 1970
- 11.** Oversee implementation of upfront payment sector guidelines

Strategic Objective 2.3) Develop and implement methods to monitor and report population health outcomes and inequalities

2010/11 Objective

- 12.** Implement processes to monitor and publish population health outcomes and inequalities

Strategic Objective 2.4) Establish mechanisms to enhance equity in access to appropriate prescription drugs

2010/11 Objective

- 13.** Identify policy options to enhance affordability of prescription drugs

Strategic Goal 3: EFFICACY

To promote healthcare developments in service provision and insurance that will enhance the financial sustainability of the healthcare system

Strategic Objective 3.1) Enhance the process to conduct the annual actuarial review of standard hospital benefits and the mutual reinsurance fund

2010/11 Objective

- 14.** Conduct annual review process and implement 65% of recommendations of Morneau Sobeco review

Strategic Objective 3.2) Enhance mechanisms to promote cost-containment measures across the healthcare system, including prescription drugs

2010/11 Objective

- 15.** Develop implementation plan to conduct health technology assessments for medical equipment

Strategic Objective 3.3) Develop clear and transparent procedures to establish fees for regulated services

2010/11 Objective

- 16.** Facilitate recommendation on Medical and Dental Charges Order review for 2011

Strategic Objective 3.4) Develop and implement methods to monitor and report on health system expenditure and financing

2010/11 Objective

- 17.** Implement mechanism to monitor and report on health system expenditure and financing

Strategic Goal 4: ACCOUNTABILITY

To ensure all of our functions are conducted in an impartial manner

Strategic Objective 4.1) Develop and implement mechanisms to ensure that operational decisions are based on objective criteria

2010/11 Objective

- 18.** Ensure publication of key BHeC papers

Strategic Objective 4.2) Enhance mechanisms to communicate with stakeholders and keep the public abreast of developments in the healthcare sector

2010/11 Objectives

- 19.** Develop and publish BHeC Corporate Plan 2011/12
- 20.** Improve stakeholder awareness of BHeC
- 21.** Provide advice to Minister of Health
- 22.** Collaborate with MOH Strategy Group to develop National Health Plan
- 23.** Produce Annual Report 2011

BACKGROUND INFORMATION ABOUT BHeC

Who we are

The Bermuda Health Council (BHeC) was established by the Bermuda Health Council Act 2004 to regulate, coordinate and enhance the delivery of health services.

The BHeC came into operation in 2006. Core activities since then have revolved around assuring public access to essential health services through requirements for minimum health insurance coverage and enhancing the regulatory framework for healthcare locally.

Our ultimate vision is to work together for a sustainable healthcare system.

Why we exist

The Bermuda Health Council exists to enhance the quality of healthcare in our community and to promote a sustainable healthcare system.

BHeC seeks to work with all relevant stakeholders to ensure residents enjoy good quality care while assuring the financial sustainability of the health system. We also work to enhance the regulatory framework for healthcare in order to assure an acceptable standard of care and patient safety.

What we do

The Bermuda Health Council provides oversight for Bermuda's health system in many ways.

Among our tasks are to:

- ❖ Enhance the regulation of health-service providers and health professionals
- ❖ Review Standard Hospital Benefits annually
- ❖ License health insurers
- ❖ Advise the Minister of Health on a wide range of health issues
- ❖ Identify ways to enhance the financial sustainability of the healthcare system
- ❖ Engage with healthcare stakeholders in the conduct of our functions
- ❖ Work proactively to assure the healthcare system can meet the needs of Bermuda residents
